I would like to take this opportunity to welcome to the City of Bedford Heights. As a nearly 40-year resident myself, I have been fortunate to witness and be a part of the ongoing growth of this wonderful community. Within the last 16 years five housing developments (*Bartlett Point, Marberry Commons, Holiday Hills, The Meadows of Bedford Heights and Daniel Drive*) have been erected within our borders. We continue to attract mainstream businesses in search of a great location, with direct access to multiple Interstates, financially sound income tax rates, and a progressive and stable local government.

Our residential vacancy rate stands at about 3.5%. This is a significant achievement for any community our size. On the other hand, if you are looking to purchase a home in Bedford Heights, the opportunities that ultimately become available do not last for long. We have also been very vigilant at identifying and subsequently demolishing vacant homes that have become a blight in our city. The good news is that, on average, between 50 to 75 families relocate to Bedford Heights as new homeowners each year. Most of whom are in search of a financially sound, quiet, safe and centrally located community with stable housing values.

We are continually developing recreational programs for our residents. Over the course of the last 18 months or so, many of our senior citizens have signed up to become Silver Sneakers members at the Bedford Heights Community Center. These are wellness programs that encourage seniors through structured low impact aerobics activities. We also offer several sports-related leagues from which our youth can choose to participate in throughout the year.

I am extremely excited about our future prospects for this community. Having said that, my primary objective is maintaining a balanced budget. City council and I continue to work in harmony with a steadfast objective of placing the interests of the community above all else.

I would like to take this opportunity to thank and welcome those of you who have chosen Bedford Heights as your new home. I look forward to seeing you at one of our many community events someday soon. Moreover, I remain grateful for the privilege to serve as Mayor in the community we call home.

Remember, my door is always open.

Once again, welcome to Bedford Heights and if there is anything that I can do for you please do not hesitate to contact me (440-786-3211).

## BUILDING DEPARTMENT

The Building Department is in charge of implementing and enforcing the local and state Building and Housing Codes. This department is also responsible for establishing the standards necessary to maintain a safe and sanitary dwelling. They approve all permits, signs, proposals and construction projects. Because Bedford Heights is a progressive city it is important for the Building Department to be involved in the Planning Commission, Zoning Board and Architectural Board of Review.

To accomplish the goals set by the Building Official, the Building Department conducts citywide inspections of all residential, commercial and industrial properties. The most valuable asset of any city is its dwellings. The Bedford Heights Building Department appreciates the cooperation and support of all its citizens.

### Codified Ordinance, Chapter 1333, Section 1333.03

Contractors engaged in Building or Allied trades within the city boundaries, must be registered. This includes:

## CURBSIDE RECYCLING IN BEDFORD HEIGHTS

Kimble Co. provides weekly curbside recycling for city residents. Combine cans, cartons, glass, paper and boxes plus plastic bottles and jugs loose (unbagged) in the provided wheeled cart.

Combine these items in your curbside recycling:

- **CANS:** Includes all metal food and beverage cans such as pop, beer, soup, vegetable, and tuna. Cans should be emptied, rinsed, and then recycled.
- **CARTONS:** Includes milk, juice, soup and broth plus wine cartons. Cartons should be emptied and rinsed. Replace the cap and place in your curbside recycling.
- **GLASS:** Includes glass food and beverage bottles and jars. Empty, rinse and replace the lid before recycling. You do not need to remove the label.
- **ITEMS** weighting more than 50 pounds must be broken down. Large items should be set out in 4 sections.
- **MATTRESSES** and upholstered items must be wrapped and sealed in plastic.
- **PAPER & BOXES:** All paper and boxes can be recycled, including newspapers, magazines, junk mail, boxes, greeting cards, cereal boxes, cardboard, phone books and clean pizza boxes. Flatten cardboard items, like cereal boxes, to save space.
- **PLASTIC BOTTLES:** Any plastic bottle, jar, jug or tub can be placed in your curbside recycling. Recycle plastic food and beverage bottles, cosmetics and personal products, and laundry detergent and bleach bottles. Containers should be emptied and rinsed. Replace the cap and put in your curbside recycling.

Not all plastics with the 1-7 symbol are recyclable. See the chart below.

For more details about recycling, visit the Cuyahoga County Solid Waste District at [www.CuyahogaRecycles.org](http://www.CuyahogaRecycles.org) or <http://www.cuyahogarecycles.org/bedford-heights>.

The Solid Waste District also offers [Recycling FAQs](#) for Cuyahoga County and information on [how to recycle properly](#). Recycle more, recycle better in Bedford Heights.

## HOLIDAY RUBBISH SCHEDULE

If any of the following holidays occur on a weekday prior to or on your collection day, service will be delayed by one day: **New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day.**

White goods = washer, dryer, refrigerator, stove, air conditioner, hot water tank.

Unacceptable items = fuel tanks, propane tanks and metal drums.

## NO SORTING NEEDED!

### PUT ALL YOUR RECYCLABLE MATERIALS IN YOUR BRIGHT GREEN KIMBLE CART!

There is no need to bundle your newspapers, cardboard and other materials separately. We do encourage you to rinse your recyclable containers to help reduce odors, insect attraction, liquid soiling of fiber products and rejection of containers at the recycling plant.

Look for the recycling symbols embedded at the bottom of most plastic bottles to identify the #1 - #7 recyclable plastics. All the recyclable items can be mixed together in your recycling container. The recyclable materials will be segregated and prepared for market at our recycling facility.
